## *Factsheet for ambulatory anesthesia (general anesthesia)*

Dear patient,

you are to undergo a surgical procedure under anesthesia.

### PLEASE TAKE NOTE OF THE FOLLOWING INFORMATION BEFORE AND AFTER THE SURGERY:

- Please arrive at the surgery with an **empty stomach**, **do not eat or smoke 6 hours** and **do not drink 2 hours** before the surgery
- Avoid analgesics containing **acetylsalicylic acid (ASA)**
- Please bring the completed and **signed anesthesia sheet attachment** with you
- Please bring a **bed blanket** with you for the recovery phase
- The costs for the anesthesia are usually **200 - 300 Euros**, which you will **pay in cash to the anesthetist** on the day of the surgery
- For **private patients**, the anesthetist will settle the invoice directly with you
- Until the next day you will be **legally incompetent** and should not take any active part in road traffic
- You are only allowed to leave the practice when **accompanied by an adult person**

If you have any questions, please do not hesitate to contact us by telephone.

We wish you a successful treatment and are pleased that you have chosen an anxiety- and pain-free treatment under anesthesia.
